**Special Notes about our New Build your
 Own Season Subscriptions**

Four show subscribers from 2011/2012 & 2012/2013 receive first choice of seating. Four show subscribers from the 2012/2013 will receive second choice of seating. Four show subscribers which are new receive third choice of seating.

Those Patrons who are purchasing three shows or less will be put into priority seating using the above model. Those who are purchasing a larger subscription package will receive higher priority.

All orders are processed on a first come first served basis, and are completed as quickly as possible - usually within two days of receipt.

When ordering tickets, you may always make a request for a preferred seating location. The Flato Markham Theatre Box office will work with you to create the best available seating arrangements. There are no seating guarantees so order early to get the best seats.
